/ EDUCATION HISTORY

>> KIET University

BS - AI | Currently enrolled   Karachi, Pk

Studying at KIET University for a Bachelor's in Artificial Intelligence (AI) provides a comprehensive curriculum and hands-on experience, preparing students for dynamic careers in AI-driven innovation.

>> Aptech Learning Institute

Web Development | 2021 - 23   Karachi, Pk

I've completed Aptech's web development program, mastering both front-end and back-end technologies. Ready to apply my expertise to deliver impactful solutions.

/ WORK EXPERIENCE

>> Full-Stack Web Developer

Atraa Technologies | March, 2024 to present

At Atraa Technologies, I serve as a full-stack developer, proficiently managing both frontend and backend tasks to deliver comprehensive software solutions. Leveraging my expertise across the development spectrum, I contribute to efficient and seamless project execution.

>> Front-end Web Developer

IPA TECH Solutions | Nov, 2023 to March, 2024

At IPA Tech Solutions, I served as a frontend developer, specializing in creating captivating user interfaces. My role involved designing and implementing visually appealing and user-friendly web applications to enhance overall user experience.
